

Symbols and definitions:

	Manufacturer: Indicates the medical device manufacturer, as defined in EU directives 90/385/EEC, 93/42/EEC, and 98/79/EC.
	Authorized representatives in the European Community. This symbol shall be accompanied by the name and address of the authorized representative in the European Community, adjacent to the symbol.
	Use by date: Indicates the date after which the medical device is not to be used.
	Batch code: Indicates the manufacturer's batch code so that the batch or lot can be identified.
	Catalog Number: Indicates the manufacturer's catalog number so that the medical device can be identified.
	Sterilized using ethylene oxide: Indicates a medical device that has been sterilized using ethylene oxide.
	Do not re-sterilize: Indicates a medical device that is not to be re-sterilized.
	Do not use if package is damaged: Indicates a medical device that should not be used if the package has been damaged or opened.
	Do not re-use: Indicates a medical device that is intended for one use, or for use on a single patient during a single procedure.
	Consult instructions for use: Indicates the need for the user to consult instructions for use.
	Caution: Indicates the need for the user to consult the instructions for use for important cautionary information such as warnings and precautions that cannot, for a variety of reasons, be presented on the medical device itself.
